

Hunters Run

Summer Camp Covid Safety Guidelines

Updated 3/1/21

1. Participants must comply with current social distancing requirements. The clubhouse will be reserved for campers and camp staff only. Campers that are not in the same family will stay 6 ft apart while engaged in any indoor activities.
2. Surfaces and tack will be disinfected throughout the day.
3. Campers will hand sanitize before and after their riding lesson, as well as after crafts and before lunch.
4. Camp staff as well as campers will cover faces while inside the barns. A mask is not required, campers can wear a handkerchief and will decorate one as part of a camp craft.
5. We ask that families follow the CDC guidelines regarding your child's current health and quarantine recommendations after a possible exposure.
6. Camp staff will monitor their temperature daily
7. One parent/caregiver per camper(s) for check-in. Two spectators max per camper for mock horse show

'Looking forward to horsin' around as we stay safe this summer! See you all soon!
